## GLUE-INS

Print and cut on dotted lines. You can set the glue-in in your scriptures, but to make it permanent, run a glue stick along the edge of the glue-in, open your scriptures wide, and place the glue-in as close to the spine as possible.

WEEK 04 | JOHN 1

“When we accept the Savior’s invitation to “come and see,” we need to abide in Him, immersing ourselves in the scriptures, rejoicing in them, learning His doctrine, and striving to live the way He lived. Only then will we come to know Him, Jesus Christ, and recognize His voice, knowing that as we come unto Him and believe in Him, we shall never hunger nor thirst. We will be able to discern the truth at all times, as occurred to those two disciples who abode with Jesus that day.”
